

Math 111 End of Week 3-4 Newsletter

IMPORTANT: Exam 1 is THURSDAY, January 26th in the lab at your scheduled Lab time (same time and assigned seat that you had for the test prep).

It will cover GATROC 1-9 with an emphasize on the business graphs.

UPCOMING SCHEDULE:

Monday: GATROC 9: AC, AVC, MC and their graphs
Tuesday: Lab – GATROC 7, 8, and 9 HW closing
Wednesday: Review
Thursday: **EXAM 1**
next Friday: Section 1.1-1.3 (line equations and intro to using algebra)

NEW POSTINGS:

[Exam 1 Rules and Brief Review](#)

The ideas in the following two mini-quiz reviews should help reminder you of the important business facts

1. [Mini-quiz review on the graph of TR/TC/VC compared to the graph of MR/MC](#)
2. [Mini-quiz review on the graph of TR/TC/VC compared to the graph of AC/AVC](#)
3. [Visual review sheet of the business graphs](#)

To help you organize the ideas above, please check out the following we just created...

[Full Review of the GATROC](#)

[Extremely Brief \(one-page\) review of the GATROC](#)

We hope these help, let us (and your classmates) know if you find something useful here, we want these to be used.

OLD EXAM QUESTIONS FOR PRACTICE: Here is the [OLD EXAM ARCHIVE](#)

For practice on old exams relating to GATROC 7-8 check out:

Try problem 1 from here: [Fall 2018 Exam 1 \(Taggart\)](#)

Try problem 1 from here: [Fall 2016 Exam 1 \(Loveless\)](#)

Try problem 1 from here: [Fall 2015 Exam 1 \(Loveless\)](#)

Answers or solutions can be found for each of these in the old exam archive.

For practice on old exams with the GATROC 9:

Try problem 5 from here: [Fall 2016 Exam 1 \(Loveless\)](#)

Try problem 2 from here: [Winter 2016 Exam 1 \(Taggart\)](#)

Try problem 3 from here: [Fall 2015 Exam 1 \(Loveless\)](#)

Answers or solutions can be found for each of these in the old exam archive.

I hope you find these newsletters to be helpful.

See you in class.
