

Math 591 – Homework 4

Due 1:30pm on Tuesday, April 5, 2016

Using the paper you chose for your final project, please submit each of the following:

- (1) A definition
- (2) An example or non-example (not in the paper) that demonstrates the definition
- (3) A theorem
- (4) An example or non-example (not in the paper) that demonstrates the theorem
- (5) A question related to, but not answered by, the paper
