Beginning the First Day

Monday 8/12 for Session A, Wednesday 8/14 for Session B

• The minicourse sessions will begin promptly at 9:30 AM in Hansee Hall. Hansee is at the northeast corner of campus. There will be NWMI signs and people to help you find the building and the room. If you are parking on campus, you will need to purchase a daily parking permit (about $7) at the gate as you enter. Tell the parking attendant that you are going to Hansee. You will probably get a permit for lot N5 or N6. Please allow time to park and find the building, so that we will start with everyone present.

• If you are staying in the dorm, we suggest you leave your suitcase in the car and just bring what you will need for the class. You can check into your room later in the day. In the morning, please come directly to the classroom in Hansee hall.

Checking into the Dorms

• If you are staying in the dorm, you will be staying in Hansee Hall. You will have time to check in during the afternoon. The front desk for Hansee Hall is in McCarty Hall next door. So you will go to McCarty to check in. You will be given additional information about this during the minicourse session. You can purchase a parking pass for the rest of your stay at the time you check in; this provides parking near the dorm. Parking cost is $7/day (approximately -- it may go up).

Parking and Commuting

• Parking on the main campus during the week is approximately $7 per day. If you are staying in the dorm, when you check in, you can purchase a pass that allows you to park near the dorm for the rest of your stay. If you are commuting, you can purchase a day pass at the gate as you enter each day. Be sure to ask for a lot near Hansee. It is possible to drive off campus and return without paying additional parking.

• Cheaper parking for $2.75 a day is available in the Montlake Lot E1. But this is an uphill hike and requires a bunch of quarters to enter. Also, if you exit the lot, there is no right to re-enter.

Breakfast and Lunch

• Lunch will be provided both days in MacMahon Hall (in the downstairs Dining Hall). We will go to lunch as a group.

• For participants staying in the dorm, breakfast will be provided the morning of the second day, also in MacMahon Hall. Breakfast begins at 7:00

Two- day Schedule

• The first day, Monday (or Wednesday), the sessions will run from 9:30AM to 11:30AM, 12:30PM to 5:00 PM (with a break), and also 7:00 to 9:00 PM.

• The second day, Tuesday (or Thursday), the sessions will run from 8:30AM to 11:30AM, 12:30 PM to 4:00 PM (with a break). Note the earlier starting time the second day (we assume that if commuting would be a problem, you will be staying on campus).

Interaction with the Summer Geometry Institute

• The NWMI Summer Geometry Institute will be in session right next door to the minicourses. We expect that there will be opportunities for the various groups to share some of what they are doing with the other groups, especially in the evening.
Options

Credit or clock hours are available as options (credit or clock hours, but not both).

- **If you are taking one minicourse**, one (quarter) unit of UW credit for Math 497: Math Topics for Teachers is optionally available; the cost is $163, payable by check or by credit card.
- **If you are taking two minicourses**, two (quarter) units of UW credit for Math 497: Math Topics for Teachers is optionally available; the cost is $163, payable by check or by credit card.
- **Clock hours (15 hours per minicourse)** from Puget Sound ESD will be available. The cost will be $22.50 per minicourse. This will be only payable by check.

What to Bring to NWMI

- Geometry tools.
- Pencils
- Tape
- Ruler
- Scissors
- Coloring tools (pencils or crayons)
- Graphing Calculator if you have one (scientific at the minimum)
- Compass
- Protractor
- Glue stick
- Box or bag to hold your stuff
- **Checkbook** for (optional) UW credit, clock hours, or math wares.

Extras to Bring for the Dorm

- Fan for the room if the weather is hot
- Bathroom supplies
- Big towels if you dislike the provided small towels
- Bikes or roller blades, etc., for the evenings
- Money for dinners (the other meals are included).
- Note: There are phones and voice mail in each room.
