

MATH 340A: Homework 0

Due on Gradescope by **June 23** at 11:59pm.

Problem 1. Do you have a preferred name/what would you like to be called? How would you like me to pronounce your name?

Problem 2. What math classes have you taken? Which was your favorite? Feel free to explain.

Problem 3. What is your favorite topic from Math 208 (or whichever linear algebra course you've taken)?

Problem 4. Tell me something interesting about yourself! Anything else you'd like me to know?
