## 3. To be planned:

- (a) Department social: more social events are always welcome. Do you want to plan movie night? Or a summer stress reliever for anyone in town for the summer?
- (b) Event for allies: Organize a panel/discussion/workshop/look for resources regarding the experiences and challenges of women in mathematics and how to be an effective ally/TA/mentor and engage and support women and other minorities in mathematics

- (c) Adapt or create physics-style female friendly department survey (<http://www.aps.org/programs/women/female-friendly/index.cfm>)
- (d) Design an AWM chapter sticker.
- (e) If you are interested in coffee with any of the female speakers that are here for colloquia or special events, email Sean [stgriff@uw.edu](mailto:stgriff@uw.edu) to coordinate.

4. **On-going:**

- (a) Collect various articles/resources discussing issues of women and other minorities in mathematics, including articles on the role of non-female identifying allies (e.g., <http://www.awm-math.org/articles/199812/awm1990s/men.html>). Send them to Amy ([awiebe@uw.edu](mailto:awiebe@uw.edu)) to be linked on the chapter website.
- (b) Collect conferences that would be of specific interest to women/underrepresented groups in math. Send them to Amy ([awiebe@uw.edu](mailto:awiebe@uw.edu)) to be linked on the chapter website.
- (c) Suggestions for other events, speakers to invite, etc., are also welcome!
- (d) Donate! Planning not your strong suit? Don't have time to organize a large event? Still want to support the AWM? Consider making a monetary donation towards future AWM events.

If you are interested in taking on any of the above tasks, email [awmsc@uw.edu](mailto:awmsc@uw.edu) and let us know!
