

# AWM Student Chapter To Do List

October 11, 2016

The following is a list of opportunities for members to get involved by organizing, assisting or participating in events put on or supported by our chapter of AWM:

1. Help organize or volunteer to attend/assist at study sessions for undergraduate (applicable courses to be determined).
2. Submit a design for the official AWM Research Symposium 2017 T-shirt (deadline in October)  
(<https://sites.google.com/site/awmmath/home/announcements/designtheofficialawmresearchsymposium2017t-shirt>)
3. Collect various articles discussing issues of women and other minorities in mathematics, including articles on the role of non-female identifying allies (e.g., <http://www.awm-math.org/articles/199812/awm1990s/men.html>). Send them to Amy (awiebe@uw.edu) to be linked on the chapter website.
4. Organize a panel/discussion centered around sharing the experiences and challenges of women in mathematics.
5. Organize a workshop/look for resources regarding how to be an effective ally/TA/mentor and engage and support women and other minorities in mathematics.
6. Participate in other upcoming events: reception for high-achieving calculus students (winter 2017?), math day (Spring break 2017 - proposals due in fall quarter), quarterly brunches.
7. Suggestions for other events, speakers to invite, etc., are also welcome!
8. Donate! Planning not your strong suit? Don't have time to organize a large event? Still want to support the AWM? Consider making a monetary donation towards future AWM events.

If you are interested in taking on any of the above tasks, email [awmsc@uw.edu](mailto:awmsc@uw.edu) and let us know!
