

Math 310 B & C      Introduction to Mathematical Reasoning      Autumn 2005  
ASSIGNMENT #6  
DUE WEDNESDAY, 11/9/05

## Reading

- Chapters 13, 14.

## Portfolio Problems

*Please write a second draft of each of the following problems, and bring **three copies** of each to class on Wednesday, November 9. At that class, you will turn in one copy to me, and exchange papers with two other students to take home for peer review. Your peer review comments will be due back in class on Monday, November 14.*

*You're welcome to work together with other students when preparing your draft, but this draft should be one that you write yourself, in your own words. Be sure and list the names of anyone you work with.*

- **Portfolio Problem #2:** Problem 8.7(b).
- **Portfolio Problem #3:** Problem 10.5. (*Yes, this is the one that was on the midterm!*)

## Short Answers

*None this week.*

## Long Answers

*None this week.*
