Please check your number carefully !!!

If your grades are NOT listed below it’s because I thought you might not want them posted
(for example, you did not take the final or you declined to your grades posted in the past)

General Formula for computing your %:

\[
\frac{(\text{Mid1}+\text{Mid2})}{100} \times 42 + \frac{\text{Final}}{100} \times 36 + \frac{\text{(highest 6 Activities)}}{120} \times 10 + \frac{\text{(highest 6 hwk grades)}}{60} \times 10 + \frac{\text{(participation)}}{7} \times 2
\]

Note: Your participation score is the sum of your 6 highest participation grades, up to a max of 7 points.

If you want to see your exam or have a question about your grade, come to my office hrs.

Otherwise, good luck with your other classes and enjoy the summer!
